

Skydive Terms & Conditions

These terms and conditions contain important information regarding participation, and upon entry into the East Lancashire Hospice Skydive you agree to and accept them.

Participation requirements

To take part in the East Lancashire Hospice Sky Dive, you must fit the participation requirements.

- To complete a tandem skydive you must be over the age of 16 and over 8 stone and under 15 stone for male and 13 stone for females. BMI can be taken into consideration for female participants - please ring [Black Knights](#) on 01524 791820 to discuss further.
- If you are over 70 years of age or have a physical disability this won't necessarily stop you from taking part. Please contact the [Black Knights](#) on 01524 791820 to discuss further.
- If you are unsure if this challenge is suitable for you, please contact your GP prior to booking.

Booking process, price and payment

- Places are non-transferable and non-refundable.
- A £50 deposit will be required to secure your booking when registering. This will then be deducted from the overall registration fee of £215 payable by Friday 3rd June 2022.
- By registering to take part, you are agreeing to pay the £215 registration fee and raise sponsorship to an additional £215 - £430 in total. If you are unable to raise the full amount needed to take part, East Lancashire Hospice will refuse your booking and your deposit will not be refunded.
- Places are limited and entries are strictly processed in the order we receive them.
- You have the right to use £215 of your sponsorship to pay for your place. If you are doing this, you need to inform people at the point of them making the donation that you will be doing this. Alternatively you can pay the skydiving fee yourself or ask your company to cover this for you, and raise the remaining funds (at least £215) through sponsorship and fundraising events.

- All money must be paid to the hospice by Friday 3rd June.

Am I insured?

- You will automatically be covered by the British Parachute Association, which is a third party insurance for up to £2 million.
- This does not cover personal injury. Should you wish to arrange further insurance please contact Black Knights on 01524 791820 to discuss further.

Cancellation

- Please be aware you have chosen a weather dependant sport and as such you are unable to parachute if the weather is not within the safe limits to skydive. We will endeavour to give you as much notice as possible, so please ensure you keep us up to date with your current contact number.
- Please be aware that your 'Jump' time will allocated when you register on the day, so there is a possibility that you could be there for a number of hours (up to 8 hours maximum).
- Please note, the skydive can be postponed if the weather conditions change after you have registered.
- East Lancashire Hospice reserve the right to cancel this event at any time. In the event of this happening, entry fees and sponsorship will be refunded in full or transferred to rescheduled date.
- If the Sky Dive cannot go ahead due to COVID19 restrictions, all participants will be contacted to reschedule.
