FUNDRAISING PACK

40 years of
making the
most of life
1984 - 2024

Join us in Celebrating 40 Years of East Lancashire Hospice

East Lancashire Hospice first opened in 1984 as a 10-bedded inpatient unit led by Dr Merton Seigleman, with the first patients admitted in June 1984.

It is thanks to our amazing community and team of volunteers that the hospice was built and Dr Seigleman's vision came to life. Now 40 years later, the hospice has grown and developed by introducing new services, and adapting to the way hospice care has changed.

We are now reaching more people in our community who need our care.

Join us this year by raising money so we can reach more people, develop our services and continue to support our patients and their families in making the most of life.

In this fundraising pack, you will find different ways to support us, whether it be a cake sale, car wash, sponsored walk or throwing us a party.

What People Say About Us

“

My husband only spent a few hours in the hospice, what an amazing calm place it was. The nurses are very caring and they look after your loved ones in their final hours. Thank you all so much for your care of my husband.

”

“

I cannot thank the staff enough for the care and attention that they not only gave to my mother but also to my brother and I. They gave my mother her dignity back and helped make the last few weeks of her life peaceful.

”

“

Thank you to the 'at home' HCAs who provided night sits for my mum at home in her final days. I am eternally grateful.

”

“

I had not expected bereavement counselling to be helpful but the sessions have been highly valuable in helping me come to terms with my life's major distress.

”

Some Fun Ideas to Get You Started...

We opened our doors on 21st June - why not celebrate East Lancashire Hospice on this day by wearing red, white and grey?

Join Your Local Pub or Club

Get your local on board and organise a darts or pool competition with each person paying to play, or organise a golf day with a tippie at the 19th hole – cheers to that.

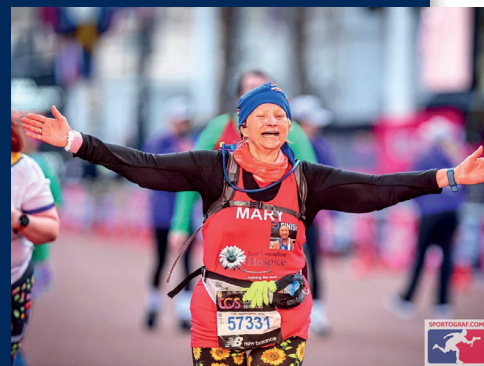

Challenge Yourself

Why not run, walk or jog 40 miles in a month with people sponsoring you to complete your challenge?

There's also opportunity for you to join our walks to get the miles in.

Step out of your comfort zone and do something out of the ordinary in return for sponsorship!

Community Cake Sale

Open up your local community centre or your garden, invite your friends and family and ask each to bake a cake and enjoy in return for a donation.

Make it interesting with some fundraising games such as; guess the weight of the cake, bake-off competition and tea tasting (or swap for your favourite wines).

FUNdraising Night

Organise a birthday party for us and try the following themes:

Cocktail Masterclass

Everyone brings their own ingredients and pays to try each other's – who will make the best cocktail?

Karaoke

Who's got the best voice in your group of friends? Each person pays to sing their favourite song with everyone choosing their champion.

Traditional Birthday Party

Dig out the bunting, bake your cake and pop the party poppers. Jelly and Ice cream for dessert and a game of pass the parcel, it's our birthday and we want YOU to celebrate.

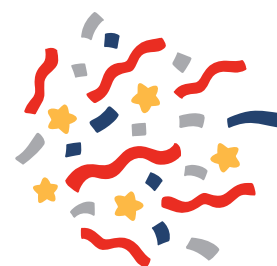

80s Night

Take it right back to when the hospice opened and dig out your tutus, shell suits and scream your favourite Whitney song or JUMP to Van Halen.

40 for 40

Give 40 Hours of Your Time 

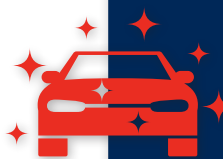

Donate 40 Items 

Raise £40

Organise a car wash, dress down day at work or run a cake sale to raise £40 for 40 years.

Or why not ask your workplace to donate £40 a month for the year?

Join our weekly lottery at £1 a week for 40 weeks.

Give 40 Hours

We rely heavily on the support of people who can donate their time, talent or skills to help us at the hospice. Whether you're a keen gardener, from a retail background or trade you will be making a big difference to the hospice by donating 40 hours of your time this year.

Donate 40 Items

Thinking of having a clear out? Our retail shops welcome donations of clothing and shoes, our fundraising team also accept donations of items for tombolas and raffles to help generate income for patient care.
