

Helping your local hospice

Did you know?

On average we need to raise **£342** for each hour that we provide services within the hospice and community

« I want to help in whatever way I can because you couldn't put a value on the care we received – it was priceless. »»

There are so many ways in which you can help us. There are some examples below, but if you have any other ideas we'd love to hear from you!

Donate

You can donate a single amount or even sign up for regular giving each month. No matter how large or small, every penny counts.

Events

Take part in one of our many walks, challenges, fetes or our annual ball. A calendar of events is on our website, so have a browse and see if there is anything you fancy or give us a call to talk to one of the team.

Lottery

Our hospice lottery enables you to give whilst also being in with the chance of winning £1000 every week. It only costs £1 to play and helps us to plan for the future by providing a regular income for the hospice.

Hospice shops

You can find a wide variety of items for sale in one of our 7 hospice shops in the community. We also have a warehouse on Brunswick Street, Blackburn where we sell second hand furniture. The shops are always in need of good quality donations of men's, ladies' and children's clothing, shoes and handbags, bric-a-brac, books, CDs and DVDs. These items can be dropped off at any of our shops or collected for free by calling 01254 680520.

Volunteer

Become one of our vital volunteers, an essential part of the hospice team. You can volunteer regularly (most volunteers give 3-4hrs per week) or just register for one-off events, but every hour counts! Volunteers take part in a wide range of activities from reception duties, lottery collections, supporting our fundraising events or helping out in our shops. Look on our website for available volunteering opportunities.

Leave a legacy

By leaving a gift in your will you will ensure that we can continue our commitment to providing the highest standards of care and support to patients, families and carers. Your legacy will make a real difference to those living with life-limiting illnesses within the local community.

Community fundraising

If you would like to take on a challenge, why not set up and run your own event? We can help with any advice needed and you'll feel a great sense of achievement!

We'd love you to get involved! To talk to someone about any of these topics or for more information, please contact the fundraising team on **01254 287012** or visit our website: **eastlancshospice.org.uk**
